Good day

We already updated the report of the company and updated report will be available within Dun & Bradstreet data base after 24-48 hours and scores will be recalculated after 5-7 business days. The estimated sales for 2018 \$28 million was not added in the report as we don't have any information to back up its financials.  
Thanks

If you have any further question you can email me. Thanks  
Have a great day ahead!

Thanks
